Introduction

Effective September 1, 2015, Regulation 347/02, Accreditation of Teacher Education Programs made under the *Ontario College of Teachers Act* (the “Accreditation Regulation”), was amended to include new accreditation requirements for programs of professional education. These enhancements were designed to provide beginning teachers with more practical experience, education foundations and exposure to teaching methods that reflect the diverse needs of Ontario students.

In accordance with subsection 15.2 (3) of the Accreditation Regulation, Redeemer University College was required to submit a verification report to the Accreditation Committee on or before March 1, 2016 to demonstrate that their accredited programs of professional education satisfy the amended accreditation requirements as they read on September 1, 2015. For the purposes of this transition, program changes made to meet the amended accreditation requirements were deemed not to constitute a substantial change as described in subsection 10 (2) or section 21 of the Accreditation Regulation.

In accordance with subsection 15.2 (5) of the Accreditation Regulation, the Accreditation Committee is required to review the verification report submitted and issue a decision,

- (a) confirming that the program fully or substantially satisfies the accreditation requirements and confirming the accredited status, or the accredited status with conditions, as the case may be, of the program;
- (b) confirming that the program substantially satisfies the requirements for accreditation and adding conditions for the continued accreditation of the program or changing conditions previously imposed on accreditation; or
- (c) revoking accreditation of the program if the Accreditation Committee finds that the program does not substantially satisfy the requirements for accreditation.

The Department of Education at Redeemer University College submitted a verification report to the Ontario College of Teachers on March 1, 2016 for continued accreditation of the following programs of professional education:

- Consecutive Program of Professional Education leading to a Bachelor of Education degree, including a concentrated study of the Primary/Junior and Junior/Intermediate divisions
- Concurrent Program of Professional Education leading to a Bachelor of Education degree, including a concentrated study of the Primary/Junior and Junior/Intermediate divisions

The verification report includes:

1. The decision of the Accreditation Committee dated April 4, 2008
2. The At-A-Glance Chart and Core Content Alignment Chart
3. The current Academic Course Calendar and two Practicum Handbooks

4. The attestation by Redeemer University College, Department of Education which confirms that the facts and reasons upon which the Accreditation Committee rendered its most recent accreditation decision for Redeemer University College, Department of Education that preceded the verification report remain true, correct and complete
5. Department Learning Outcomes.

By virtue of the authority granted under the *Ontario College of Teachers Act, 1996*, and the Accreditation Regulation, the Accreditation Committee reviewed the verification report to determine if the programs of professional education continue to qualify for accreditation.

In making its decision, the Accreditation Committee considered the verification report submitted by the provider and the regulatory requirements of section 9 of the Accreditation Regulation, as they read on September 1, 2015 following their modification in accordance with the new requirements for Ontario programs of professional education.
